

# Memo

**Date:** August 20, 2018

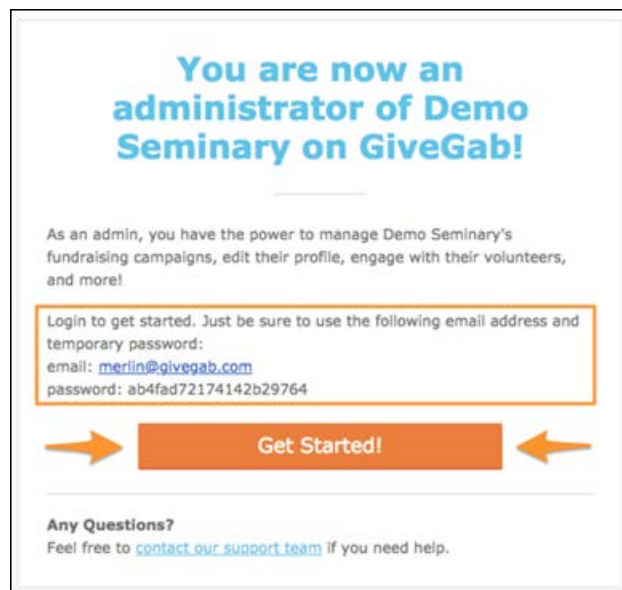

**To:** Pastors, Principals, Stewardship and Development Directors, Ministry Leaders, Parish, School and Ministry Communications

**From:** Maureen Cully, Manager of Marketing and Communications, Catholic Foundation of North Georgia

**Re:** #iGiveCatholic - Registration is Now Open!

---

Starting August 16, parishes, schools, ministries and non-profits will be able to register for #iGiveCatholic. A registration email (see example below) was delivered to the “primary administrator” or point of contact at your organization. If you have not received an email, please check your junk or spam boxes.

If you need help with registration, please review this [registration support article](#). GiveGab also has a live chat feature that is very helpful in answering even the smallest question!

*Ensuring that the Catholic community and its ministries have the financial resources to serve and make a difference in the lives of current and future generations.*

5871 Glenridge Drive NE, Suite 300 – Atlanta, GA 30328 – [www.cfnga.org](http://www.cfnga.org) – 404.497.9440

Although you have until October 31 to register, the sooner you activate your profile, the sooner you can begin promoting your participation in the giving day.

You do not have to fill out every detail immediately, but we encourage you to do so as soon as you are ready to begin promoting.

Training is a key component to being successful. The first training session is a LIVE webinar on **Tuesday, August 28, at 10 AM CT**. Registration is required, and details can be found on the [trainings web page](#). This webinar will be recorded for later use.

**Save the Date!** The Catholic Foundation is also hosting two “best practices” training sessions, which are unique to our archdiocese. These will be on September 20 and September 25. More information on registration for these trainings will be in the Communique.

If you have any questions, please contact Juliet Greco at 404.497.9440 or [jgreco@cfnga.org](mailto:jgreco@cfnga.org).
