**CC:** Parish Staff and Young Adult Ministries  
**From:** Paula Gwynn Grant, Director, Office of Communications  
**Re:** “Theology on Tap” Events in the Archdiocese

---

For years, many of our parishes and archdiocesan departments have used the phrase “Theology on Tap” for social events that encourage fellowship between young adults while learning more about the Catholic faith.

“Theology on Tap” is officially trademarked by [RENEW International](#), a Catholic ministry organization that “empowers people and communities to encounter God in everyday life” under the Archdiocese of Newark.

**If a ministry or archdiocesan office would like to host a “[Theology on Tap](#)” event, you must contact RENEW International for resources, tools and licensing.**

While our archdiocese encourages ministries to host events similar to “Theology on Tap,” the event must have a different name.

The Office of Formation and Discipleship serves parishes with young adult ministry needs. For support and resources to help you host your next young adult event, please email [ofd@archatl.com](mailto:ofd@archatl.com) or call 404-920-7620.

Thank you.
